CORPORATION OF CALCUTTA.

Third Publication under section 415, Act II of 1888 of Bye-laws passed by the Commissioners in Meeting and awaiting confirmation under section 414.

J. COWIE,

Secretary to the Corporation.

Section 412—(d) The conditions under which persons shall be permitted to drive registered carts.

7. He* shall give correct information about his own name, age and residence, the name and residence of the owner, the place where the cart is ordinarily kept and such other particulars necessary to establish his own identity and that of the owner of the cart as he may be required by the Registering Officer to state at the time of each half-yearly registration.

8. He must carry with him, when plying for hire, the cart license for the then current half-year, and produce it whenever required for the inspection of all Municipal and Police Officers and the hirer of the cart.

(e) Regarding the height and mode of construction of buildings.

1. Whenever any old masonry building has been taken down to an extent exceeding one-half of such building, such to be measured in cubic feet, the re-building of the portion thereof shall be deemed to be the erection of a new building, and such portion shall be subject to the regulations of the Act and to the bye-laws respecting new buildings.

2. Every masonry building shall have its outer walls constructed of brick or other hard and incombustible substance, and the foundation shall be the solid ground, or concrete, or other solid substructure on which the footings shall rest.

3. Every person who shall erect a new building shall construct every wall of such building so as to rest upon proper footings. He shall cause the projection at the widest part of the footings of every wall on each side of such wall to be at least equal to one-third of the thickness of such wall at its base, unless an adjoining wall interferes, in which case the projection may be omitted where that wall adjoins. All walls of houses intended to be used as dwelling houses shall have a damp proof course at or above the level of the ground floor.

He shall also cause the diminution of the footings to be in regular offsets, or in one offset at the top of the footings, and he shall cause the height from the bottom of the footings to the base of the wall to be at least equal to two-thirds of the thickness of the wall at its base.

* The two immediately preceding bye-laws which have already been confirmed are :—

5. When loading or unloading goods in streets which admit of the passage of two carts abreast, the carter shall rest his cart alongside of the footpath with one of its wheels touching the curb stone.

6. He shall light his lamp as soon as it becomes dark and obey all reasonable orders of the Police on duty.

4. In the case of any building exceeding one storey in height, every wall shall be properly bonded and solidly put together with mortar, and no part of such wall shall overhang any part underneath it, and all return walls shall be properly bonded together.

This rule is not intended to apply to cornices or mouldings where otherwise admissible.

5. Every wall and every return wall of such building shall be of such thickness as may be considered safe by the Commissioners having regard to the height of the buildings, the materials of which it is constructed, and the purposes to which it will be put; provided that it shall not be lawful for the Commissioners to require more than is required by Appendix I.

6. All beams and girders shall be supported by a sufficient breadth of brickwork, stone or other solid substance to secure the stability of such beam or girder.

7. The roof of all buildings shall be externally covered with some incombustible material. Also every gutter shoot or trough in connection with the roof of such building shall also be constructed of incombustible materials.

8. Every person intending to construct an oil, flour or soorky mill or an iron foundry shall, at the time of applying for sanction to the erection thereof under section 236 or 247, distinctly state that the building or hut will be used for that purpose.

9. Any person obtaining approval to build under section 238 or section 247 shall construct the house or hut in accordance with the plan approved of by the Commissioners. No prosecution under this bye-law shall be commenced without the sanction of the Commissioners.

For new huts built in bustees under Section 247.

10. In any bustee when new huts are being added under section 247 to existing ranges or clusters of huts, they shall be so erected as to block up no existing roads or paths, and so as to keep as far as practicable in line with the existing main lines of huts which are to be taken as directing lines. In no case shall the roadway left between two new huts, or between a new hut and an existing hut, be less than nine feet in width.

11. If new ranges of huts are being erected they shall be built in regular lines with a road or path of a minimum breadth of nine feet between every two lines. The direction of the lines will be determined by the Commissioners in accordance with the position of the land, the preference being given to footpaths running due north and south.

12. Any road as above terminating in a *cul de sac* shall have a sufficient space at the end not less than 15 feet in width to enable a conservancy cart to turn round.

13. Such roads shall remain private property, but shall be kept open for the passage of conservancy carts, without thereby conveying any right of property in them to the Municipality.

14. No new huts shall be erected at a greater distance than 100 feet from the nearest part of one of the above roads unless otherwise specially sanctioned by the Commissioners.

15. The space between the walls of any two new huts or of any new hut and any adjacent existing hut or building shall not be less than three feet for ventilation. But this rule will not apply to two or more huts built in continuation and composing one "bari."

16. Every new hut which may be built abutting on a road or footpath, whether public or private, shall be so built as not to project on the road or footpath, and also shall be so constructed as not to allow rain-water from its roof to fall upon or injure the same.

17. No new huts shall be erected unless sufficient privies have been provided to allow of at least one privy for common use to every 100 residents.

18. By section 247 every new hut must have a plinth at least two feet above the level of the centre of the nearest public road, but this will not suffice unless the ground on which it stands is also sufficiently raised to admit of surface drainage.

19. Such surface drains may be required by the Commissioners for the drainage of all new huts as the circumstances of the bustee and the position of the nearest sewer may render practicable.

20. When any new drain has to be constructed for the benefit of any hut or huts, the owners of which are tenants-at-will, notice will be served on the owner of the land, and if the drain is constructed by the Commissioners in default, he will be charged with the cost thereof, but if such drain fall into subsequent disrepair after construction, the owner of the hut or huts for whose benefit the drain was constructed shall be charged with the cost of its repair.

21. Every person who re-builds the sides and roof of any hut shall apply to the Commissioners for approval thereof under section 247.

(f) *Regarding ventilation and the extent to which space must be left for the free circulation of air as required by the provisions of section 243 of Act II (B.C.) of 1888.*

1. With respect to masonry buildings which are to be newly erected on any site previously unbuilt upon, the following provisions shall have effect, namely:—

The foundation of any such building shall not be constructed on any site which has been filled up with street or other refuse, unless such refuse is either properly removed or unless a period of 20 years has elapsed from the date when the refuse was deposited.

Provided that, with the consent of the General Committee, the period of 20 years may be reduced to not less than 10 years if the state of the soil after investigation is found to be such as to admit of it.

2. No new masonry building which abuts on a street of a less width than 40 feet shall be erected to a greater height than two storeys without the special consent of the Commissioners in meeting.

3. Every such building intended to be used as a dwelling shall be so constructed that the whole of at least one side of every room thereof shall either be an external wall or abut on an interior open space or on a verandah. Such interior open space shall have an area equal to not less than one-fourth of the aggregate floor area of all the rooms abutting thereon, and shall not be in any direction less than 6 feet across. Such external wall shall, where it faces a street of less than 16 feet in width, have between it and the boundary line of the owners' premises an open space of not less than 2 feet in width. At the sides it may be attached to the adjacent premises, but if not so attached at the sides and in every case at the back, it shall have a space of 4 feet along the whole side of the building between it and the boundary line of the owners' premises or between it and the inner edge of the boundary wall, if that boundary line is a wall. And every open space, whether exterior or interior, required by this clause, shall be and be kept free from any erection other than a boundary wall and shall be open to the sky, and shall be and be kept open to access from each end thereof.

4. Every open space or interior court-yard referred to in the above rule shall be raised at least one foot above the level of the nearest street, so as to admit of easy drainage into it.

5. Every room intended to be used as a dwelling room in any such building, except a room in the roof thereof, shall be in every part at least 10 feet in height from the floor to the ceiling.

6. Every such room shall have a clear superficial area of not less than 80 square feet.

7. Every such room shall be ventilated by means of doors or windows which open directly into the external air or into a verandah and have an aggregate opening equal to not less than one-fifth of the superficial area of the side of the room which faces an open space.

8. The Commissioners may exempt from the provisions of clauses (e) or (f) any particular building or class of buildings to which the rules or any particular rule may appear to them to be inapplicable.

(g). *Drainage, cess-pools, privies, cow-houses and stables.*

1. No privy connected or unconnected shall be constructed underneath a dwelling room.

2. All connected privies and urinals shall be constructed, so that one wall at least shall be an outer wall of the building.

3. All soil pipes shall be carried outside the building and ventilated by means of pipes leading the foul gases above the highest point of the building.

4. Separate cisterns shall be constructed for connected privies. No tap or draw-off shall be affixed to any pipe between the cisterns and the privy or urinal.

5. All waste pipes and overflow pipes of cisterns shall terminate in the open air, and be cut off from all direct communication with drains.

6. The privy room shall be thoroughly ventilated and well lighted by windows opening directly into the external air or into a verandah.

7. No person shall throw, deposit, or discharge any sewage into any river, tank, khal, water-course, drain, or receptacle for water, or dispose

of any offensive matter in any other way than as the Commissioners in meeting may from time to time direct.

8. In cases where for any special reason the Commissioners sanction the keeping of a licensed public latrine or depôt for the collection of sewage, every licensed keeper of such public latrine or depôt shall construct such public necessary or depôt in such manner and with such out-offices and appurtenances as the Commissioners shall from time to time determine. No public latrine or depôt shall be closed without the sanction of the Commissioners in meeting.

9. Every keeper of a public latrine or depôt shall provide himself with such number of tubs and carts as the Commissioners may deem necessary for the stowage and removal of sewage, and such tubs and carts shall be supplied by the Commissioners at the charge of the said keepers, at such prices as the Commissioners shall from time to time fix.

10. Every keeper of a public latrine or depôt shall maintain the tubs and carts which may be supplied to him under the preceding bye-laws in good and proper order.

11. Every holder of a license for the keeping of a public latrine or depôt shall make floors, drains, and seats of his privy pucca, if required so to do by a written notice, and shall construct or provide such receptacles for the sewage as the Commissioners shall require, and shall provide a sufficient supply of water to keep the same in a cleanly state.

12. Every holder of a license for the keeping of a public latrine or depôt shall keep a register of all servants employed in the management of his latrine or depôt, and for the removal of sewage therefrom, in such form as the Commissioners shall direct, and shall produce the same when called upon, and shall supply such servants with such tickets or badges as the Commissioners shall from time to time direct.

13. Every servant so registered shall be bound to produce his ticket or badge at all times when called upon to do so by any Municipal or Police Officer duly empowered to demand the same.

14. The sewage shall be conveyed, as prescribed in bye-law 9, i.e., in tubs and by carts provided by the Commissioners, and in no other tubs and by no other carts.

15. The sewage shall be removed by such routes and through such streets only as the Commissioners may from time to time approve, and no person employed in such removal shall unnecessarily stop or delay on the said routes.

16. No night-man, sweeper, or other person carrying sewage through the streets shall loiter or deposit any vessel containing or intended to contain sewage on or by the side of any public road or street.

17. No person in charge of a cart, waggon, or carriage used for the purpose of receiving and removing sewage, shall suffer such cart, waggon, or carriage to stand, or remain in any public street, passage, highway or thoroughfare, for any longer time than shall be necessary for the loading thereof.

18. Every holder of a license for a public latrine or depôt shall convey his sewage daily to such places at such hours as the Commissioners shall decide, and shall there dispose of it in such manner as shall from time to time be directed.

19. No person shall drive any carts at night for the conveyance of sewage without a light. The driver shall be held responsible that the lamp attached shall be kept alight during the removal of the sewage until sunrise.

20. Every keeper of a licensed public latrine shall each day, after delivery at the sewage depôt, receive and convey back to his premises the tubs which may have been delivered by him on the previous day at the sewage depôt, and shall cause them to reach his premises before 8 A.M., and shall keep such tubs in such place and in such manner as the Commissioners may appoint, and in no other.

21. Every keeper of a licensed public latrine or depôt shall remove, between such hours of each day as the Commissioners may from time to time fix, the sewage which may have been collected at his public latrine or depôt during the previous twenty-four hours, to such sewage depôt as the Commissioners may from time to time notify by writing to be affixed to the said licensed public latrine or depôt, and shall there deposit the tubs as directed by the Overseer in charge of such sewage depôt.

22. The sweepers of the Commissioners shall daily cleanse the unconnected privies of every house in Calcutta. They shall, in addition to the work of removing the sewage from the privies, daily wash the floors of the privies and otherwise clean them whenever required by the house-holder, provided that they are not to do this oftener than thrice a week, except under the special orders of the Inspector of the ward issued on the application of the house-holder.

23. Owners of connected privies may, on giving proper notice to the Inspector of his ward, have the free service of the Municipal sweepers, not oftener than once a fortnight, provided that the privy connection is not choked, in which case the owners shall be liable to pay the authorised fee.

shall signify their approval or disapproval within 30 days after receiving such plan. In cases in which no reply is given within that period and the Commissioners require any alteration to be made, the Commissioners shall bear the actual loss incurred by the owner.

Where there is no reason for such suspicion, the corpse shall be burnt within four hours after its arrival.

4. The Sub-Registrar shall see that no corpse, or portion of a corpse, shall on any account be allowed to be thrown into the river. He shall take particular care that no corpse, or portion of a corpse, except the navel, shall remain without being completely reduced to ashes, or be removed in any other condition. The charge to be made for the burning of a body will be on a scale laid down by the Commissioners.

5. The Sub-Registrar shall submit to the Health Officer a weekly return every Monday of all deaths registered at the ghât. This return shall contain the particulars specified in schedule 11 of Act II (B.C.) of 1888, and shall be accompanied by the certificates granted by the several Registrars or medical men during the week separately arranged in different bundles according to the several wards to which they relate.

6. The Sub-Registrar shall be very careful to see that all the belongings of a corpse, such as clothes, mats, bed and bedding, &c., brought with the corpse, are burnt, and none of the afore-said things shall on any account be allowed to be removed from the ghât by the Domes or any other person. This prohibition shall not apply to any shawl or other valuable apparel brought with dead bodies.

7. Corpses may be burnt both during the day and night, but the Sub-Registrar in charge of the ghât shall see that the ashes and sweepings are removed daily, and that the burning-ghât is always kept clean.

8. The Sub-Registrar shall allow persons to burn the corpses of their friends and relatives, each according to the rites of his religion, without any interference.

9. No child or foetus is allowed to be buried on the riverside.

10. The Domes in charge are strictly prohibited to drink spirituous liquors within the burning-ground enclosure, or to be in a drunken state when on duty. The Sub-Registrar shall see that this rule is strictly enforced. He shall also remove from the burning-ghât all persons who are drunk or disorderly.

11. All persons connected with the burning-ghât must be civil and attentive to those who come there to have dead bodies burnt.

12. All remains of corpses, which have been dissected, as also those upon which a Coroner's

inquest has been held, shall be brought to the ghât in a closed vehicle and burnt at night.

13. The contractor, who supplies the necessities for burning corpses, shall not be allowed to charge more than the rates specified below.

14. The Brahmin shall not demand any fee, gratuity or reward other than that authorized by the Commissioners for the performance of the necessary religious rites, and it shall be his duty to attend immediately on being sent for at all hours of the day or night, and to officiate as priest and cause the performance of the ceremony, and he shall be considered to be a servant of the Commissioners for the purpose of this rule.

15. The Brahmin shall on no pretence enter within the walled enclosure of the burning-ground, except when called by the relatives of deceased persons to officiate as priest, nor shall he remain therein after his services are completed.

16. Should the Brahmin demand any fee, reward or gratuity of any kind whatever in excess of the fee fixed in the tariff, or enter the enclosure except when sent for, or remain therein after his services have been completed, or after he has been required by the Sub-Registrar or other officer of the Municipality to quit the same, or fail to attend when sent for, he shall be liable to dismissal at the discretion of the Commissioners and to be ejected from the burning-ground. Provided always that no person coming to burn a corpse will be prevented from bringing with him his family priest should he prefer to have the cremation ceremony performed by him. In such a case, however, the party who brings his own priest to the burning-ground shall be bound to allow the Brahmin to begin his usual fee.

17. The contractor shall at all times keep on hand a sufficient supply of fuel and the other necessary articles named in the tariff; should he fail to do so, or neglect, or refuse to supply the same at any hour of day or night, or fail to keep his shop open at all times for the purpose of supplying the same, or use false or short weights, or supply inferior or unsuitable articles or create any disturbance within the limits of the Commissioners' lands, his license shall be cancelled, and he shall be summarily ejected from the land and be further liable to criminal prosecution as a trespasser.

18. Persons coming to the ghât for burning dead bodies shall be bound to purchase all the articles named, and the quantities specified in the tariff, from the contractor. But they will be at liberty to provide themselves with whatever else they may require for cremation, as also all the articles therein named but in excess of the quantities specified in the tariff, or, when the contractor fails to supply them, from wheresoever they like; and the contractor shall not on any account interfere with persons bringing articles for burning dead bodies from outside.

REVENUE DEPARTMENT.

A Dictionary of the Economic Products of India.

By DR. GEO. WATT, C.I.E.,

Reporter on Economic Products.

Published under the authority of the Government of India in the Revenue and Agricultural Department.

The first two volumes of this work are now ready for issue, and intending subscribers are invited to register their names with the Superintendent of Government Printing, Calcutta.

The Dictionary is intended to deal with the products of India—animal, vegetable, and mineral; each product being treated after a uniform plan, the paragraphs of which give the scientific, vernacular, and European names; habitat or source; history; properties and uses, both chemical and industrial; trade statistics; markets, &c. The work is arranged alphabetically according to scientific nomenclature, but commercial and important vernacular names are also given as cross references so that little difficulty need be experienced in finding the account of a product even when its scientific name is unknown to the reader.

An important feature of the Dictionary consists in the fact that derived information is in every instance given under quotation marks, and with a reference to the original publication. Numerous contributions have, however, furnished the results of new discoveries, and confirmed the vernacular names; so that the Dictionary is not only a complete compilation of published information, but has been brought abreast of the most recent inventions and discoveries.

Volume I contains the letters A and B, and consists of 559 royal pages; Volume II embraces the letter C in 689 pages; Volume III is in course of preparation, and will contain the letters D, E, F, and G. The whole work will, it is expected, be completed in six volumes by 1891; but a seventh volume may also be issued consisting of an index to all the vernacular and other names contained in the Dictionary; and this as a work of reference, it is hoped, may prove of considerable value.

The price to subscribers will be in India Rs. 30 and in England 2 guineas, payable in advance, for the complete set. An extra charge for packing and postage will be made for the set—in India, at 8 annas per volume, and for England at 2 rupees 6 annas per volume.

For copies bound in half calf or half morocco, Rs. 6 and 8 shillings respectively will be charged extra for the whole sets.

*No copies will be issued to non-subscribers till the work is complete, and no single volume will be sold separately. The price to non-subscribers will be Rs. 45 in India, and 5 guineas in England, exclusive of packing and postage.

REVENUE DEPARTMENT.

A Dictionary of the Economic Products of India.
 By DR. GEO. WATT, C.I.E.,
Reporter on Economic Products.

Published under the authority of the Government of India in the Revenue and Agricultural Department.

The first two volumes of this work are now ready for issue, and intending subscribers are invited to register their names with the Superintendent of Government Printing, Calcutta.

The Dictionary is intended to deal with the products of India—animal, vegetable, and mineral; each product being treated after a uniform plan, the paragraphs of which give the scientific, vernacular, and European names; habitat or source; history; properties and uses, both chemical and industrial; trade statistics; markets, &c. The work is arranged alphabetically according to scientific nomenclature, but commercial and important vernacular names are also given as cross references so that little difficulty need be experienced in finding the account of a product even when its scientific name is unknown to the reader.

An important feature of the Dictionary consists in the fact that derived information is in every instance given under quotation marks, and with a reference to the original publication. Numerous contributions have, however, furnished the results of new discoveries, and confirmed the vernacular names; so that the Dictionary is not only a complete compilation of published information, but has been brought abreast of the most recent inventions and discoveries.

Volume I contains the letters A and B, and consists of 559 royal pages; Volume II embraces the letter C in 689 pages; Volume III is in course of preparation, and will contain the letters D, E, F, and G. The whole work will, it is expected, be completed in six volumes by 1891; but a seventh volume may also be issued consisting of an index to all the vernacular and other names contained in the Dictionary; and this as a work of reference, it is hoped, may prove of considerable value.

The price to subscribers will be in India Rs. 30 and in England 2 guineas, payable in advance, for the complete set. An extra charge for packing and postage will be made for the set—in India, at 8 annas per volume, and for England at 2 rupees 6 annas per volume. For copies bound in half calf or half morocco, Rs. 6 and 8 shillings respectively will be charged extra for the whole sets.

*No copies will be issued to non-subscribers till the work is complete, and no single volume will be sold separately. The price to non-subscribers will be Rs. 45 in India, and 3 guineas in England, exclusive of packing and postage.

26. In case of default of payment of any interest, the Secretary of State for India in Council shall have the same remedies as may be available to other debenture-holders of the Commissioners under this Act; but nothing in this Act shall be deemed to confer upon the said Secretary of State for India in Council any prior or greater right, than that conferred upon other debenture-holders of the Commissioners under this Act.

27. It shall be lawful for the Commissioners in meeting, if they think fit, out of any moneys which may come into their hands under the provisions of this Act, and which can be so applied without prejudicing the security of the other debenture-holders of the Commissioners under this Act, to repay to the said Secretary of State for India in Council any sum which, for the time being, may remain due to him under the provisions of this Act for principal; although the time fixed for the repayment of the same shall not have arrived:

PART VIII.—Of the Landing and Shipment of Goods.

90. The Commissioners shall, when thereunto required by the Local Government, provide and keep, and maintain sufficient servants and apparatus for the expeditious and convenient landing and shipment of goods from and upon all sea-going vessels brought to the docks, wharves, quays, stages, jetties or piers, erected by them; and shall, by their servants, land and ship all goods from and upon any such vessel so coming to such dock, wharf, quay, stage, jetty or pier, unless where there is a legal excuse for refusing to land or ship such goods, or such vessel is by reason of the breach or non-observance of any law or regulation not entitled to have her goods shipped or discharged:

Provided that the Commissioners shall not be bound to land, ship, or move any single article or package exceeding thirty tons of twenty hundred-weight in weight, except at such special charge as may be agreed on in respect of such article or package.

91. (1) Whenever any goods shall be landed by the Commissioners from any vessel under the powers by this Act conferred on them, they shall, if thereunto required, give to the person in charge of such vessel a receipt in the form or to the effect prescribed in the Third Schedule; and may, in any such receipt, include all goods landed from such vessel during one day.

(2) No person to whom such receipt shall have been so given, nor the master nor owner of the vessel from which the goods in respect of which such receipt shall be given may have been landed, shall be liable for any loss or damage to such goods which may occur after they shall have been so landed.

92. When any dock, wharf, quay, stage, jetty or pier erected under the provisions of this Act shall have been made and completed, together with sufficient warehouses, sheds, cranes and moorings for landing and shipment of

Calcutta Port Act.

(Part VIII.—Of the Landing and Shipment of Goods.—Sections 93—99.)

upon sea-going vessels; it shall be lawful for the Commissioners, with the sanction of the Local Government by a notification published in three consecutive numbers of the *Calcutta Gazette*, to declare that such dock, wharf, quay, stage, jetty or pier is ready for receiving, landing and shipment, or for landing or for shipment, of goods from and upon sea-going vessels.

93. From and after such notification and publication, it shall be lawful for the Commissioners to require the Conservator of the Port, or other persons exercising the rights, powers and authorities of the Conservator of the Port, from time to time, when there shall be room at such dock, wharf, quay, stage, jetty or pier, to order to come alongside of such dock, wharf, quay, stage, jetty or pier, for the purpose of being laden or unladen by the Commissioners, any sea-going vessel which shall not have commenced to discharge goods, or which, being about to take in goods, shall not have commenced to take in goods.

94. If after such order of the Conservator of the Port or other person aforesaid, the owner or master of any such vessels shall either take in or discharge goods, save and except at such dock, wharf, quay, stage, jetty or pier to which such vessel shall have been so ordered, the owner thereof, or, in case he shall not be in Calcutta, the master thereof, shall be liable to a penalty of one hundred rupees for each day that he shall land or ship, or attempt to land or ship, any goods in contravention of such order.

95. (1) When a sufficient number of docks, wharves, quays, stages, jetties or piers shall have been erected under this Act for the landing and shipment of goods of all sea-going vessels resorting to the port, it shall be lawful for the Commissioners in meeting, with the sanction of the Local Government, by an order published in three consecutive numbers of the *Calcutta Gazette*, to direct that, without the express sanction of the Commissioners, no goods shall be landed or shipped from or upon any sea-going vessel within the port, save at such docks, wharves, quays, stages, jetties or piers.

(2) And by an order in like manner published, to alter, vary or revoke any such order.

96. Whoever shall, after such order has been so published as aforesaid, land or ship, or attempt to land or ship, any goods in contravention of such order, shall be liable to a fine not exceeding two hundred rupees for every day that he shall so land or ship any goods in contravention of the said order:

Provided that notwithstanding anything in this or in sections ninety-two, ninety-three, and ninety-four contained, it shall be lawful for the Local Government by notification in the *Calcutta Gazette*, from time to time, if it shall so think fit, to declare that certain specified vessels, or classes of vessels, shall be permitted to discharge or ship goods; or that certain specified goods, or classes of goods, shall be permitted to be landed or shipped else-

where, and at such part of the Port of Calcutta, and for such time and on such conditions, as it may think fit.

97. (1) When any dock, wharf, quay, stage, jetty or pier for receiving, landing or shipment of goods from vessels (not being sea-going vessels) shall have been made and completed with all proper appliances in that behalf, it shall be lawful for the Commissioners in meeting, with the sanction of the Local Government, by an order published in three consecutive numbers of the *Calcutta Gazette*, to declare that such dock, wharf, quay, stage, jetty or pier is ready for receiving, landing or shipment of goods from vessels (not being sea-going vessels); and, in the same way and with the same sanction, to order that within certain prescribed limits to be therein specified in that behalf, it shall not be lawful, without the express sanction of the Commissioners, to land or ship any goods out of, or into, any vessel (not being a sea-going vessel) of any class specified in such order, except at such dock, wharf, quay, stage, jetty or pier.

(2) And by an order in like manner published, to alter, vary or revoke any such order.

98. Whenever any order made and published under sections ninety-five and ninety-seven shall have the effect of rendering it unlawful to land or ship any goods out of, or into, any vessel at any wharf, quay, stage, jetty or pier lawfully made, erected or fixed by any person for the convenience of private traffic, or to which a prescriptive right may have been acquired by possession of sixty years or upwards, such person, his representatives or assigns, shall be entitled to institute a civil suit for the award of compensation to him for the injury caused by the order hereinbefore mentioned:

Provided that in awarding such compensation, the Court shall not take into consideration any tolls, dues, rates or charges which the aforesaid person claiming compensation shall be liable to pay for using the wharf, quay, stage, jetty or pier provided by the Commissioners for public use:

Provided also that it shall be lawful for the Commissioners, in lieu of closing any wharf, quay, stage, jetty or pier under either of the said sections, to allow the continued use thereof on payment of such scale of tolls, dues, rates and charges as may be agreed upon between the owners thereof and the Commissioners.

99. (1) After the publication of the order mentioned in section ninety-seven of this Act, it shall not be lawful for any vessel of such class to land or ship any goods at any place within the limits so specified, except at such dock, wharf, quay, stage, jetty or pier; nor for any such vessel, while within such limits, to anchor, fasten or lie within fifty yards of the ordinary low-water-mark without the consent of the Commissioners.

(2) Any person guilty of any breach of the provisions of this section shall be liable to a fine not exceeding fifty rupees for every such breach.

Calcutta Port Act.

(Part VIII.—Of the Landing and Shipment of Goods.—Sections 100—102.)

Part IX.—Of Levying Tolls and Rates.—Sections 103—108.)

100. If after the publication of the order mentioned in section ninety-seven of this Act any such vessel shall, while within such limits, so anchor, fasten or lie, it shall be lawful for the Commissioners to cause the same to be removed out of the said limits, and it shall be the duty of the Conservator of the Port to aid and assist the Commissioners in so removing such vessel.

101. The Commissioners may, by notice in writing, order the master, owner or agent of any vessel, to remove such vessel from any dock, wharf, quay, stage, jetty or pier belonging to the Commissioners.

102. Unless such vessel shall be removed therefrom within thirty-six hours after service of such notice on the officer in charge of such vessel, or the master, owner or agent thereof, it shall be lawful for the Commissioners to charge in respect of such vessel for the use by such vessel of such dock, wharf, quay, stage, jetty or pier, such sum not exceeding five hundred rupees for each day of twenty-four hours, or portion of such day, after the expiry of such thirty-six hours, during which such vessel shall remain at such dock, wharf, quay, stage, jetty or pier as to the Commissioners shall seem fit.

PART IX.—Of Levying Tolls and Rates.

103. The Commissioners shall frame a scale of tolls, dues, rates and charges for the landing and shipment of goods from and into sea-going vessels at the docks, wharves, quays, stages, jetties and piers belonging to the Commissioners, and for the use thereof by such vessels, and for the storing and keeping of any goods stored in any premises belonging to them, and for the removal of goods, and for the use of any moorings laid down or acquired by the Commissioners, and for the towage of vessels by the steam-vessels of the Commissioners in the Port.

104. The Commissioners shall also frame a scale of tolls, dues, rates and charges for the landing and shipment of goods into and out of any vessel (not being a sea-going vessel); and also a scale of tolls for the use of the said docks, wharves, quays, stages, jetties and piers by any such vessel, in case the Commissioners shall permit the goods to be landed or shipped by other than their own officers and servants.

105. The Commissioners shall also frame a scale of charges for any services to be performed by the Commissioners or their servants in respect of any vessel or goods, or for the conveyance of goods by their tramways, or for the use of any works or appliances to be provided by the Commissioners.

106. The Commissioners shall also frame a scale of tolls, annual or other, to be paid by the owners of any vessels plying for hire, whether regularly or occasionally within, or partly within and partly without, the limits of the port:

Provided that no such tolls shall be chargeable in respect of vessels which are liable to pay port dues under the provisions of Schedule I of the Indian Ports Act, 1889.

107. (1) Such scales of tolls, dues, rates and charges shall be adopted by the Commissioners in meeting, and shall be submitted to the Local Government; and after receiving its approval, shall be published by the Commissioners in the *Calcutta Gazette*: and may, from time to time, subject to the like approval and publication, be in like manner altered.

(2) It shall also be competent to the Local Government at any time to cancel any of the scales framed under sections one hundred and three to one hundred and six (both inclusive), or to call upon the Commissioners to modify any portion of such scales; and thereupon the Commissioners in meeting shall modify such scales accordingly.

108. If, on the preparation of the estimate of any year, it shall appear that the estimated income of the Commissioners for such year, after deducting therefrom the estimated expenditure of such year to be incurred under this Act, will be insufficient for the payment of the sums which, under the provisions of this Act, will be payable during such year to the Secretary of State for India in Council, and to the holders of debentures under this Act or any enactment hereby repealed; or if, at any time in the course of a year, it may appear that the actual income of such portion of the year as may have then elapsed and the estimated income of the residue of such year, after deducting therefrom the actual expenditure of such past portion and the estimated expenditure of such residue, will be so insufficient, then and in every such case, the Commissioners shall, upon the requisition of the Local Government, from time to time and to the extent requisite in every case, charge upon all goods landed from or shipped into any vessel lying or being within the limits of the port, whether such goods shall or shall not be so landed or shipped at any dock, wharf, quay, stage, jetty or pier belonging to the Commissioners, such tolls, dues, rates and charges, in addition to, or other than, those prescribed by any scale of tolls, dues, rates and charges for the time being in force under the provisions of sections one hundred and three to one hundred and seven (both inclusive) as will, when added to the said income of the year, suffice as nearly as may be for the payment of the said sums in full.

*Calcutta Port Act.**(Part IX.—Of Levying Tolls and Rates.—Sections 109—117.)*

109. Such tolls, dues, rates and charges shall be fixed and adopted in accordance with a resolution passed by the Commissioners at a meeting, and shall be submitted to the Local Government; and if the same shall be approved by it, shall be published in the *Calcutta Gazette*, and shall forthwith come into operation and remain in operation until altered or revoked by the Commissioners in meeting, with the sanction of the Local Government: and shall be leviable and recoverable in like manner as any other tolls, dues, rates and charges payable under this Act.

110. (1) In case the Commissioners shall, for fifteen days after the receipt by them of any such requisition from the Local Government as in section one hundred and eight is mentioned, neglect or refuse to charge such tolls, dues, rates and charges, it shall be lawful for the Local Government, by an order published in the *Calcutta Gazette*, to charge such tolls, dues, rates and charges.

(2) The tolls, dues, rates and charges mentioned in such order shall have such and the same effect as if they had been fixed and adopted by the Commissioners in meeting, and approved by the Local Government, and published in the *Calcutta Gazette*, as in section one hundred and nine is mentioned.

111. (1) For the amount of all tolls, dues, rates and charges, duly leviable under this Act in respect of any goods, the Commissioners shall have a lien on such goods, and shall be entitled to seize and detain the same until such tolls, dues, rates and charges are fully paid.

(2) Tolls, dues, rates and charges in respect of goods to be landed shall become payable immediately on the landing of the goods.

(3) Tolls, dues, rates and charges in respect of goods to be removed from the premises of the Commissioners, or to be shipped for export, shall be payable before the goods are removed or shipped.

(4) The lien for such tolls, dues, rates and charges shall have priority over all other liens and claims, except for general average, for the ship-owner's lien for freight upon the said goods where such lien exists and has been preserved in the manner hereinafter provided, for primage, and for money payable to Her Majesty or the Secretary of State for India in Council, under any law for the time being in force:

Provided that nothing in this Act shall affect any power or authority vested in the Chief Officer of Customs, under any law for the time being in force.

112. The Commissioners shall not be liable for any damage which may be sustained through any cause not arising from negligence on the part of the Commissioners, to any goods whether landed for import or received for export, during such time as the said goods remain in the possession or under the control of the Commissioners.

113. (1) The Commissioners shall, immediately upon the landing of any goods, take charge thereof, and store such as are liable to suffer from exposure in any shed or warehouse belonging to the Commissioners.

(2) If any owner, without any default on the part of the Commissioners, fail to remove any goods from the premises of the Commissioners within two clear working days from the time of landing, such goods shall remain on the premises at the sole risk and expense of the owner.

114. (1) Whenever the owner of any goods fails to remove the same within the time specified in the last preceding section, the Commissioners shall give notice to the consignee or owner of such goods, if his address be known, by letter sent by post to such address or left thereat, that all liability which the Commissioners may have hitherto incurred in respect of such goods, has ceased.

(2) And shall also publish in one or more daily newspapers notice of the expiry of such liability; and shall specify therein the numbers, marks and descriptions of such goods, so far as the same may appear.

115. In case the said goods shall be removed to the public warehouses, then the consignee or owner shall be liable to the charges for warehousing goods in such public warehouses; and the goods shall remain subject to all liens to which they would have been liable, if they had remained in the possession of the Commissioners, and to the power of sale hereinafter given.

116. (1) If the master or owner of any vessel, or his agent, at or before the time of landing from such vessel any goods at any dock, wharf, quay, stage, jetty or pier belonging to the Commissioners, shall give to the Commissioners notice in writing that such goods are to remain subject to a lien for freight or other charges payable to the ship-owner to an amount to be mentioned in such notice, such goods shall continue liable to the same lien (if any) for such charges as they were subject to before the landing thereof.

(2) Such goods shall be retained either in the warehouses and sheds of the Commissioners, or, with the consent of the Chief Officer of Customs, in the public warehouses, at the risk and expense of the owners of the goods, until the lien is discharged as hereinafter mentioned.

117. Upon the production to the officer of the Commissioners of a document purporting to be a receipt for the amount claimed as due, or a release of freight from the person by or on

Calcutta Port Act.

(Part IX.—Of Levying Tolls and Rates.—Sections 118—122.)

whose behalf such notice shall have been given, it shall be lawful for the Commissioners to permit such goods to be removed without regard to such lien:

Provided they shall have used reasonable care in respect to the authenticity of such document.

118. If the tolls, dues, rates and charges payable to the Commissioners in respect of any goods under this Act are not paid, or if the lien of the ship-owner for freight, where such notice as aforesaid has been given, is not discharged, the Commissioners may, and in the latter event if required by or on behalf of the person claiming such lien for freight, shall, at the expiration of two months from the time when the goods were placed in their custody, or, if the goods are of a perishable nature, at such earlier period, being not less than twenty-four hours after the landing of the goods as they shall think fit, sell by public auction the said goods, or so much as may be necessary to satisfy the amounts hereinafter directed to be paid out of the produce of such sale.

119. (1) Before making such sale, ten days' notice of the same shall be given by publication thereof in the *Calcutta Gazette*, unless the goods are of so perishable a nature as in the opinion of the officer of the Commissioners in that behalf to render immediate sale necessary or advisable; in which event, such notice shall be given as the urgency of the case admits of.

(2) If the address of the owner of the goods has been stated on the manifest of the goods, or in any of the documents which have come into the hands of the Commissioners, or is otherwise known, notice shall also be given to the owner of the goods by letter delivered at such address or sent by the post; but the title of a *bond fide* purchaser of such goods shall not be invalidated by reason of the omission to send the notice hereinbefore mentioned, nor shall any such purchaser be bound to inquire whether such notice has been sent.

120. (1) In every case of any such sale as aforesaid, the moneys received from the sale shall be applied as follows:—

- (a) in payment of the expenses of the sale;
- (b) in payment according to their respective priorities of the liens and claims excepted in section one hundred and eleven from the priority of the liens of the Commissioners for tolls, rates and dues, and
- (c) in payment of the tolls, charges and expenses of landing, removing, storing or warehousing the same, and of all other charges due to the Commissioners under this Act in respect thereof.

(2) The surplus, if any, shall be paid to the importer, owner or consignee of the goods, or to his agent, on his applying for the same:

Provided that such application be made within one year from the sale of the goods, or good reason be shown why such application was not so made to the satisfaction of the Commissioners; and in case such application shall not be so made, nor reason shown, such surplus shall be held by the Commissioners in trust for the purposes of this Act.

121. If the master of any vessel in respect of which any tolls, dues, rates, penalties or charges shall be payable under this Act, or any rules or orders made in pursuance thereof, shall refuse or neglect to pay the same or any part thereof on demand, it shall be lawful for the Commissioners to apply to the Collector of Customs of the Port of Calcutta, and such Collector shall detain or arrest of his own authority such vessel, and the tackle, apparel and furniture belonging thereto, or any part thereof, and detain the same until the amount so due to the Commissioners shall be paid; and in case any part of the said tolls, dues, rates, penalties or charges, or of the costs of the distress or arrestment, or of the keeping of the same, shall remain unpaid for the space of five days next after any such distress or arrestment shall have been so made, the Collector of Customs may cause the vessel or other thing so distrained or arrested to be sold, and with the proceeds of such sale may satisfy such tolls, dues, rates, penalties or charges, and costs, including the costs of sale remaining unpaid; rendering the surplus (if any) to the master of such vessel on demand.

122. If the Commissioners shall give to the officer of Government whose duty it shall be to grant the port clearance of any vessel, a notice stating that an amount therein specified is due in respect of tolls, dues, rates or charges, or penalties chargeable under this Act, or any by-laws, rules or orders made in pursuance thereof against such vessel, or the owner or master of such vessel in respect thereof, or against or in respect of any goods on board such vessel, such officer shall not grant such port clearance until the amount so chargeable shall have been paid.

CHAPTER V.

OF THE POWERS OF THE COMMISSIONERS AS CONSERVATORS OF THE PORT.

123. (1) Any port dues, fees or other charges received by the Commissioners as Conservators of the Port shall be deemed to be a portion of their income, and shall be included in their annual estimates and accounts.

(2) All the powers, authorities and restrictions contained in this Act in respect of the works by this Act authorized, shall apply to the works which may be executed by the Commissioners as such Conservators, to the sanction thereof, the estimates therefor, and the expenditure thereunder.

124. Whenever the Local Government shall, under the provisions of the Indian Ports Act, 1889, issue an order which shall specify the amount of charge to which the Commissioners shall be liable in respect of the port dues and fees to be received by them as Conservators of the Port, the same shall be deemed to be a sum of money advanced by the Secretary of State for India in Council, and to be due on the day on which such order shall take effect.

*Calcutta Port Act.**(Chapter VI.—Of Wrecks.—Section 125.**Chapter VII.—Of Bye laws.—Sections 126—128.**Chapter VIII.—Of the Constitution and Control of Port Police Force.—

125. The Commissioners shall, if and when appointed under the provisions of section seventy-three of the Indian Merchant Shipping Act, 1880, to be Receivers of Wreck within the limits of their jurisdiction, exercise within such limits all the functions of a Receiver of Wreck under the said Act.

CHAPTER VII.

OF BYE-LAWS.

126. (1) It shall be lawful for the Commissioners in meeting, from time to time, to make such bye-laws consistent with this Act and with the Indian Ports Act, 1889, as they may think necessary for any of the following purposes (that is to say):—

- (a) for regulating, declaring and defining the docks, wharves, quays, stages, jetties and piers, on and from which goods shall be landed from and shipped in vessels within the port;

- (h) for otherwise carrying out the purposes of this Act.

(2) The Commissioners in meeting may, from time to time, repeal, alter, or add to, any bye-law made under this section.

(3) No bye-law, repeal or alteration of any bye-law, shall have effect, until the same is confirmed by the Local Government.

(4) No bye-law, and no repeal or alteration of, or addition to, any bye-law shall be confirmed, until the same has been published in three consecutive numbers of the *Calcutta Gazette*.

127. In making any bye-law under the last preceding section, the Commissioners in meeting may direct that a breach of it shall be punishable with fine which may extend to five hundred rupees; and when the breach is a continuing breach, with a further fine which may extend to two hundred rupees for every day after the first, during which the breach continues.

128. The Commissioners shall cause the said bye-laws and the tables of tolls, dues, rates and charges leviable, to be printed in the English and Bengalee languages and characters, and to be hung up at the several docks, wharves, quays and jetties, and other convenient places on the premises of the Commissioners.

CHAPTER VIII.

(2) The right to sue in respect of the moneys secured by any of such debentures, or the debentures issued under the authority of any enactment hereby repealed, shall be vested in the holders thereof for the time being, without any preference by reason of some of such debentures being prior in date to others.

21. All loans contracted by the Commissioners, whether by way of debentures or otherwise under this Act, shall be a first charge on the property now vested, or which hereafter may become vested, in the Commissioners; and on the tolls, dues, rates, rents and charges leviable under this Act as provided by section nineteen.

22. The Commissioners in meeting may at any time, with the previous sanction of the Governor-General in Council, raise, either by borrowing from the Secretary of State for India in Council, or by way of debenture, any money that may be required to pay any amount for the time being due under the authority of this Act or any enactment hereby repealed.

23. Unless the Local Government, with the previous sanction of the Governor-General in Council shall, by an order published in the *Calcutta Gazette*, otherwise direct, all loans contracted by the Commissioners under this Act shall be contracted in India and in the Indian currency.

(3) Such sinking fund shall be invested in the promissory notes and other securities of the Government of India, or in the debentures issued by the Commissioners under this Act, in the names of two trustees; one being the Commissioners, and the other a person to be appointed by the Local Government.

25. 26. In case of default of payment of any interest, the Secretary of State for India in Council shall have the same remedies as may be available to other debenture-holders of the Commissioners under this Act; but nothing in this Act shall be deemed to confer upon the said Secretary of State for India in Council any prior or greater right, than that conferred upon other debenture-holders of the Commissioners under this Act.

27. It shall be lawful for the Commissioners in meeting, if they think fit, out of any moneys which may come into their hands under the provisions of this Act, and which can be so applied without prejudicing the security of the other debenture-holders of the Commissioners under this Act, to repay to the said Secretary of State for India in Council any sum which, for the time being, may remain due to him under the provisions of this Act for principal; although the time fixed for the repayment of the same shall not have arrived:

Provided that no such repayment shall be made of any sum less than ten thousand rupees; and that, if such repayment is made, the amount of interest in each succeeding half-yearly instalment shall be adjusted, so as to represent exactly the interest due on the outstanding principal.

Provided that if at the time of the damage or mischief the vessel was under the orders of a duly authorized officer belonging to the Pilot service, or the Harbour Master's, or Port Officer's department, the case shall not be cognizable by the Magistrate under this section.

(2) If at the time appointed in the summons, and whether the person summoned shall appear or not, the Magistrate finds that the alleged damage was done through such negligence as aforesaid, and that the pecuniary amount of the same does not exceed two hundred rupees, it shall be lawful for the Magistrate to issue his warrant of distress under which a sufficient portion of the boats, masts, spars, ropes, cables, anchors or stores of the vessel may be seized and sold to cover the expenses of, and attending the execution of, the distress and the pecuniary amount of damage as aforesaid; and such amount shall be paid to the Commissioners out of the proceeds of the distress.

PART VIII.—Of the Landing and Shipment of Goods.

90. The Commissioners shall, when thereunto required by the Local Government, provide and keep, and maintain sufficient servants and apparatus for the expeditious and convenient landing and shipment of goods from and upon all sea-going vessels brought to the docks, wharves, quays, stages, jetties or piers erected by them; and shall, by their servants, land and ship all goods from and upon any such vessel so coming to such dock, wharf, quay, stage, jetty or pier, unless where there is a legal excuse for refusing to land or ship such goods, or such vessel is by reason of the breach or non-observance of any law or regulation not entitled to have her goods shipped or discharged:

Provided that the Commissioners shall not be bound to land, ship, or move any single article or package exceeding thirty tons of twenty hundred-weight in weight, except at such special charge as may be agreed on in respect of such article or package.

91. (1) Whenever any goods shall be landed by the Commissioners from any vessel under the powers by this Act conferred on them, they shall, if thereunto required, give to the person in charge of such vessel a receipt in the form or to the effect prescribed in the Third Schedule; and may, in any such receipt, include all goods landed from such vessel during one day.

(2) No person to whom such receipt shall have been so given, nor the master nor owner of the vessel from which the goods in respect of which such receipt shall be given may have been landed, shall be liable for any loss or damage to such goods which may occur after they shall have been so landed.

92. When any dock, wharf, quay, stage, jetty or pier erected under the provisions of this Act shall have been made and completed, together with sufficient warehouses, sheds, cranes and moorings for landing and shipment, or for landing or for shipment, of goods from and

(Part VIII.—Of the Landing and Shipment of Goods.—Sections 93—99.)

upon sea-going vessels, it shall be lawful for the Commissioners, with the sanction of the Local Government by a notification published in three consecutive numbers of the *Calcutta Gazette*, to declare that such dock, wharf, quay, stage, jetty or pier is ready for receiving, landing and shipment, or for landing or for shipment, of goods from and upon sea-going vessels.

93. From and after such notification and publication, it shall be lawful for the Commissioners to require the Conservator of the Port, or other persons exercising the rights, powers and authorities of the Conservator of the Port, from time to time, when there shall be room at such dock, wharf, quay, stage, jetty or pier, to order to come alongside of such dock, wharf, quay, stage, jetty or pier, for the purpose of being laden or unladen by the Commissioners, any sea-going vessel which shall not have commenced to discharge goods, or which, being about to take in goods, shall not have commenced to take in goods.

94. If after such order of the Conservator of the Port or other person aforesaid, the owner or master of any such vessels shall either take in or discharge goods, save and except at such dock, wharf, quay, stage, jetty or pier to which such vessel shall have been so ordered, the owner thereof, or, in case he shall not be in Calcutta, the master thereof, shall be liable to a penalty of one hundred rupees for each day that he shall land or ship, or attempt to land or ship, any goods in contravention of such order.

95. (1) When a sufficient number of docks, wharves, quays, stages, jetties or piers shall have been erected under this Act for the landing and shipment of goods of all sea-going vessels resorting to the port, it shall be lawful for the Commissioners in meeting, with the sanction of the Local Government, by an order published in three consecutive numbers of the *Calcutta Gazette*, to direct that, without the express sanction of the Commissioners, no goods shall be landed or shipped from or upon any sea-going vessel within the port, save at such docks, wharves, quays, stages, jetties or piers.

(2) And by an order in like manner published, to alter, vary or revoke any such order.

96. Whoever shall, after such order has been so published as aforesaid, land or ship, or attempt to land or ship, any goods in contravention of such order, shall be liable to a fine not exceeding two hundred rupees for every day that he shall so land or ship any goods in contravention of the said order:

Provided that notwithstanding anything in this or in sections ninety-two, ninety-three, and ninety-four contained, it shall be lawful for the Local Government by notification in the *Calcutta Gazette*, from time to time, if it shall so think fit, to declare that certain specified vessels, or classes of vessels, shall be permitted to discharge or ship goods; or that certain specified goods, or classes of goods, shall be permitted to be landed or shipped else-

where, and at such part of the Port of Calcutta, and for such time and on such conditions, as it may think fit.

97. (1) When any dock, wharf, quay, stage, jetty or pier for receiving, landing or shipment of goods from vessels (not being sea-going vessels) shall have been made and completed with all proper appliances in that behalf, it shall be lawful for the Commissioners in meeting, with the sanction of the Local Government, by an order published in three consecutive numbers of the *Calcutta Gazette*, to declare that such dock, wharf, quay, stage, jetty or pier is ready for receiving, landing or shipment of goods from vessels (not being sea-going vessels); and, in the same way and with the same sanction, to order that within certain prescribed limits to be therein specified in that behalf, it shall not be lawful, without the express sanction of the Commissioners, to land or ship any goods out of, or into, any vessel (not being a sea-going vessel) of any class specified in such order, except at such dock, wharf, quay, stage, jetty or pier.

(2) And by an order in like manner published, to alter, vary or revoke any such order.

98. Whenever any order made and published under sections ninety-five and ninety-seven shall have the effect of rendering it unlawful to land or ship any goods out of, or into, any vessel at any wharf, quay, stage, jetty or pier lawfully made, erected or fixed by any person for the convenience of private traffic, or to which a prescriptive right may have been acquired by possession of sixty years or upwards, such person, his representatives or assigns, shall be entitled to institute a civil suit for the award of compensation to him for the injury caused by the order hereinbefore mentioned:

Provided that in awarding such compensation, the Court shall not take into consideration any tolls, dues, rates or charges which the aforesaid person claiming compensation shall be liable to pay for using the wharf, quay, stage, jetty or pier provided by the Commissioners for public use:

Provided also that it shall be lawful for the Commissioners, in lieu of closing any wharf, quay, stage, jetty or pier under either of the said sections, to allow the continued use thereof on payment of such scale of tolls, dues, rates and charges as may be agreed upon between the owners thereof and the Commissioners.

99. (1) After the publication of the order mentioned in section ninety-seven of this Act, it shall not be lawful for any vessel of such class to land or ship any goods at any place within the limits so specified, except at such dock, wharf, quay, stage, jetty or pier; nor for any such vessel, while within such limits, to anchor, fasten or lie within fifty yards of the ordinary low-water-mark without the consent of the Commissioners.

(2) Any person guilty of any breach of the provisions of this section shall be liable to a fine not exceeding fifty rupees for every such breach.

*Calcutta Port Act.**(Part VIII.—Of the Landing and Shipment of Goods.—Sections 100—102.)**Part IX.—Of Levying Tolls and Rates.—Sections 103—108.)*

100. If after the publication of the order mentioned in section ninety-seven of this Act any such vessel shall, while within such limits, so anchor, fasten or lie, it shall be lawful for the Commissioners to cause the same to be removed out of the said limits, and it shall be the duty of the Conservator of the Port to aid and assist the Commissioners in so removing such vessel.

101. The Commissioners may, by notice in writing, order the master, owner or agent of any vessel, to remove such vessel from any dock, wharf, quay, stage, jetty or pier belonging to the Commissioners.

102. Unless such vessel shall be removed therefrom within thirty-six hours after service of such notice on the officer in charge of such vessel, or the master, owner or agent thereof, it shall be lawful for the Commissioners to charge in respect of such vessel for the use by such vessel of such dock, wharf, quay, stage, jetty or pier, such sum not exceeding five hundred rupees for each day of twenty-four hours, or portion of such day, after the expiry of such thirty-six hours, during which such vessel shall remain at such dock, wharf, quay, stage, jetty or pier as to the Commissioners shall seem fit.

PART IX.—Of Levying Tolls and Rates.

103. The Commissioners shall frame a scale of tolls, dues, rates and charges for the landing and shipment of goods from and into sea-going vessels at the docks, wharves, quays, stages, jetties and piers belonging to the Commissioners, and for the use thereof by such vessels, and for the storing and keeping of any goods stored in any premises belonging to them, and for the removal of goods, and for the use of any moorings laid down or acquired by the Commissioners, and for the towage of vessels by the steam-vessels of the Commissioners in the Port.

104. The Commissioners shall also frame a scale of tolls, dues, rates and charges for the landing and shipment of goods into and out of any vessel (not being a sea-going vessel); and also a scale of tolls for the use of the said docks, wharves, quays, stages, jetties and piers by any such vessel, in case the Commissioners shall permit the goods to be landed, or shipped by other than their own officers and servants.

105. The Commissioners shall also frame a scale of charges for any services to be performed by the Commissioners or their servants in respect of any vessel or goods, or for the conveyance of goods by their tramways, or for the use of any works or appliances to be provided by the Commissioners.

106. The Commissioners shall also frame a scale of tolls, annual or other, to be paid by the owners of any vessels plying for hire, whether regularly or occasionally within, or partly within and partly without, the limits of the port:

Provided that no such tolls shall be chargeable in respect of vessels which are liable to pay port dues under the provisions of Schedule I of the Indian Ports Act, 1889.

107. (1) Such scales of tolls, dues, rates and charges shall be adopted by the Commissioners in meeting, and shall be submitted to the Local Government; and after receiving its approval, shall be published by the Commissioners in the *Calcutta Gazette*; and may, from time to time, subject to the like approval and publication, be in like manner altered.

(2) It shall also be competent to the Local Government at any time to cancel any of the scales framed under sections one hundred and three to one hundred and six (both inclusive), or to call upon the Commissioners to modify any portion of such scales; and thereupon the Commissioners in meeting shall modify such scales accordingly.

108. If, on the preparation of the estimate of any year, it shall appear that the estimated income of the Commissioners for such year, after deducting therefrom the estimated expenditure of such year to be incurred under this Act, will be insufficient for the payment of the sums which, under the provisions of this Act, will be payable during such year to the Secretary of State for India in Council, and to the holders of debentures under this Act or any enactment hereby repealed; or if, at any time in the course of a year, it may appear that the actual income of such portion of the year as may have then elapsed and the estimated income of the residue of such year, after deducting therefrom the actual expenditure of such past portion and the estimated expenditure of such residue, will be so insufficient, then and in every such case, the Commissioners shall, upon the requisition of the Local Government, from time to time and to the extent requisite in every case, charge upon all goods landed from or shipped into any vessel lying or being within the limits of the port, whether such goods shall or shall not be so landed or shipped at any dock, wharf, quay, stage, jetty or pier belonging to the Commissioners, such tolls, dues, rates and charges, in addition to, or other than, those prescribed by any scale of tolls, dues, rates and charges for the time being in force under the provisions of sections one hundred and three to one hundred and seven (both inclusive) as will, when added to the said income of the year, suffice as nearly as may be for the payment of the said sums in full.

*Calcutta Port Act.**(Part IX.—Of Levying Tolls and Rates.—Sections 109—117.)*

109. Such tolls, dues, rates and charges shall be fixed and adopted in accordance with a resolution passed by the Commissioners at a meeting, and shall be submitted to the Local Government; and if the same shall be approved by it, shall be published in the *Calcutta Gazette*, and shall forthwith come into operation and remain in operation until altered or revoked by the Commissioners in meeting, with the sanction of the Local Government: and shall be leviable and recoverable in like manner as any other tolls, dues, rates and charges payable under this Act.

110. (1) In case the Commissioners shall, for fifteen days after the receipt by them of any such requisition from the Local Government as in section one hundred and eight is mentioned, neglect or refuse to charge such tolls, dues, rates and charges, it shall be lawful for the Local Government, by an order published in the *Calcutta Gazette*, to charge such tolls, dues, rates and charges.

(2) The tolls, dues, rates and charges mentioned in such order shall have such and the same effect as if they had been fixed and adopted by the Commissioners in meeting, and approved by the Local Government, and published in the *Calcutta Gazette*, as in section one hundred and nine is mentioned.

111. (1) For the amount of all tolls, dues, rates and charges, duly leviable under this Act in respect of any goods, the Commissioners shall have a lien on such goods, and shall be entitled to seize and detain the same until such tolls, dues, rates and charges are fully paid.

(2) Tolls, dues, rates and charges in respect of goods to be landed shall become payable immediately on the landing of the goods.

(3) Tolls, dues, rates and charges in respect of goods to be removed from the premises of the Commissioners, or to be shipped for export, shall be payable before the goods are removed or shipped.

(4) The lien for such tolls, dues, rates and charges shall have priority over all other liens and claims, except for general average, for the ship-owner's lien for freight upon the said goods where such lien exists and has been preserved in the manner hereinafter provided, for primage, and for money payable to Her Majesty or the Secretary of State for India in Council, under any law for the time being in force:

Provided that nothing in this Act shall affect any power or authority vested in the Chief Officer of Customs, under any law for the time being in force.

112. The Commissioners shall not be liable for any damage which may be sustained through any cause not arising from negligence on the part of the Commissioners, to any goods whether loaded for import or received for export, during such time as the said goods remain in the possession or under the control of the Commissioners.

113. (1) The Commissioners shall, immediately upon the landing of any goods, take charge thereof, and store such as are liable to suffer from exposure in any shed or warehouse belonging to the Commissioners.

(2) If any owner, without any default on the part of the Commissioners, fail to remove any goods from the premises of the Commissioners within two clear working days from the time of landing, such goods shall remain on the premises at the sole risk and expense of the owner.

114. (1) Whenever the owner of any goods fails to remove the same within the time specified in the last preceding section, the Commissioners shall give notice to the consignee or owner of such goods, if his address be known, by letter sent by post to such address or left thereat, that all liability which the Commissioners may have hitherto incurred in respect of such goods, has ceased.

(2) And shall also publish in one or more daily newspapers notice of the expiry of such liability; and shall specify therein the numbers, marks and descriptions of such goods, so far as the same may appear.

115. In case the said goods shall be removed to the public warehouses, then the consignee or owner shall be liable to the charges for warehousing goods in such public warehouses; and the goods shall remain subject to all liens to which they would have been liable, if they had remained in the possession of the Commissioners, and to the power of sale hereinafter given.

116. (1) If the master or owner of any vessel, or his agent, at or before the time of landing from such vessel any goods at any dock, wharf, quay, stage, jetty or pier belonging to the Commissioners, shall give to the Commissioners notice in writing that such goods are to remain subject to a lien for freight or other charges payable to the ship-owner to an amount to be mentioned in such notice, such goods shall continue liable to the same lien (if any) for such charges as they were subject to before the landing thereof.

(2) Such goods shall be retained either in the warehouses and sheds of the Commissioners, or, with the consent of the Chief Officer of Customs, in the public warehouses, at the risk and expense of the owners of the goods, until the lien is discharged as hereinafter mentioned.

117. Upon the production to the officer of the Commissioners in that behalf of a document purporting to be a receipt for the amount claimed as due, or a release of freight from the person by or on

Calcutta Port Act.

whose behalf such notice shall have been given, it shall be lawful for the Commissioners to permit such goods to be removed without regard to such lien:

Provided they shall have used reasonable care in respect to the authenticity of such document.

118. If the tolls, dues, rates and charges payable to the Commissioners in respect of any goods under this Act are not paid, or if the lien of the ship-owner for freight, where such notice as aforesaid has been given, is not discharged, the Commissioners may, and in the latter event if required by or on behalf of the person claiming such lien for freight, shall, at the expiration of two months from the time when the goods were placed in their custody, or, if the goods are of a perishable nature, at such earlier period, being not less than twenty-four hours after the landing of the goods as they shall think fit, sell by public auction the said goods, or so much as may be necessary to satisfy the amounts hereinafter directed to be paid out of the produce of such sale.

119. (1) Before making such sale, ten days' notice of the same shall be given by publication thereof in the *Calcutta Gazette*, unless the goods are of so perishable a nature as in the opinion of the officer of the Commissioners in that behalf to render immediate sale necessary or advisable; in which event, such notice shall be given as the urgency of the case admits of.

(2) If the address of the owner of the goods has been stated on the manifest of the goods, or in any of the documents which have come into the hands of the Commissioners, or is otherwise known, notice shall also be given to the owner of the goods by letter delivered at such address or sent by the post; but the title of a *bona fide* purchaser of such goods shall not be invalidated by reason of the omission to send the notice hereinbefore mentioned, nor shall any such purchaser be bound to inquire whether such notice has been sent.

120. (1) In every case of any such sale as aforesaid, the moneys received from the sale shall be applied as follows:—

- (a) in payment of the expenses of the sale;
- (b) in payment according to their respective priorities of the liens and claims excepted in section one hundred and eleven from the priority of the liens of the Commissioners for tolls, rates and dues, and
- (c) in payment of the tolls, charges and expenses of landing, removing, storing or warehousing the same, and of all other charges due to the Commissioners under this Act in respect thereof.

(2) The surplus, if any, shall be paid to the importer, owner or consignee of the goods, or to his agent, on his applying for the same:

Provided that such application be made within one year from the sale of the goods, or good reason be shown why such application was not so made to the satisfaction of the Commissioners; and in case such application shall not be so made, nor reason shown, such surplus shall be held by the Commissioners upon trust for the purposes of this Act.

121. If the master of any vessel in respect of which any tolls, dues, rates, penalties or charges shall be payable under this Act, or any rules or orders made in pursuance thereof, shall refuse or neglect to pay the same or any part thereof on demand, it shall be lawful for the Commissioners to apply to the Collector of Customs of the Port of Calcutta, and such Collector shall distrain or arrest of his own authority such vessel, and the tackle, apparel and furniture belonging thereto, or any part thereof, and detain the same until the amount so due to the Commissioners shall be paid; and in case any part of the said tolls, dues, rates, penalties or charges, or of the costs of the distress or arrestment, or of the keeping of the same, shall remain unpaid for the space of five days next after any such distress or arrestment shall have been so made, the Collector of Customs may cause the vessel or other thing so distrained or arrested to be sold, and with the proceeds of such sale may satisfy such tolls, dues, rates, penalties or charges, and costs, including the costs of sale remaining unpaid; rendering the surplus (if any) to the master of such vessel on demand.

122. If the Commissioners shall give to the officer of Government whose duty it shall be to grant the port clearance of any vessel, a notice stating that an amount therein specified is due in respect of tolls, dues, rates or charges, or penalties chargeable under this Act, or any by-laws, rules or orders made in pursuance thereof against such vessel, or the owner or master of such vessel in respect thereof, or against or in respect of any goods on board such vessel, such officer shall not grant such port clearance until the amount so chargeable shall have been paid.

CHAPTER V.

OF THE POWERS OF THE COMMISSIONERS AS CONSERVATORS OF THE PORT.

123. (1) Any port dues, fees or other charges received by the Commissioners as Conservators of the Port shall be deemed to be a portion of their income, and shall be included in their annual estimates and accounts.

(2) All the powers, authorities and restrictions contained in this Act in respect of the works by this Act authorized, shall apply to the works which may be executed by the Commissioners as such Conservators, to the sanction thereof, the estimates therefor, and the expenditure thereunder.

124. Whenever the Local Government shall, under the provisions of the Indian Ports Act, 1889, issue an order which shall specify the amount of charge to which the Commissioners shall be liable in respect of the port dues and fees to be received by them as Conservators of the Port, the same shall be deemed to be a sum of money advanced by the Secretary of State for India in Council, and to be due on the day on which such order shall take effect.

21. All loans contracted by the Commissioners, whether by way of debentures or otherwise under this Act, shall be a first charge on the property now vested, or which hereafter may become vested, in the Commissioners; and on the tolls, dues, rates, rents and charges leviable under this Act as provided by section nineteen.

27. It shall be lawful for the Commissioners in meeting, if they think fit, out of any moneys which may come into their hands under the provisions of this Act, and which can be so applied without prejudicing the security of the other debenture-holders of the Commissioners under this Act, to repay to the said Secretary of State for India in Council any sum which, for the time being, may remain due to him under the provisions of this Act for principal; although the time fixed for the repayment of the same shall not have arrived:

PART VIII.—Of the Landing and Shipment of Goods.

90. The Commissioners shall, when thereunto required by the Local Government, provide and keep, and maintain sufficient servants and apparatus for the expeditious and convenient landing and shipment of goods from and upon all sea-going vessels brought to the docks, wharves, quays, stages, jetties or piers erected by them; and shall, by their servants, land and ship all goods from and upon any such vessel so coming to such dock, wharf, quay, stage, jetty or pier, unless where there is a legal excuse for refusing to land or ship such goods, or such vessel is by reason of the breach or non-observance of any law or regulation not entitled to have her goods shipped or discharged:

Provided that the Commissioners shall not be bound to land, ship, or move any single article or package exceeding thirty tons of twenty hundred-weight in weight, except at such special charge as may be agreed on in respect of such article or package.

91. (1) Whenever any goods shall be landed by the Commissioners from any vessel under the powers by this Act conferred on them, they shall, if thereunto required, give to the person in charge of such vessel a receipt in the form or to the effect prescribed in the Third Schedule; and may, in any such receipt, include all goods landed from such vessel during one day.

(2) No person to whom such receipt shall have been so given, nor the master nor owner of the vessel from which the goods in respect of which such receipt shall be given may have been landed, shall be liable for any loss or damage to such goods which may occur after they shall have been so landed.

92. When any dock, wharf, quay, stage, jetty or pier erected under the provisions of this Act shall have been made and completed, together with sufficient warehouses, sheds, cranes and moorings for landing and shipment, or

upon sea-going vessels, it shall be lawful for the Commissioners, with the sanction of the Local Government by a notification published in three consecutive numbers of the *Calcutta Gazette*, to declare that such dock, wharf, quay, stage, jetty or pier is ready for receiving, landing and shipment, or for landing or for shipment, of goods from and upon sea-going vessels.

93. From and after such notification and publication, it shall be lawful for the Commissioners to require the Conservator of the Port, or other persons exercising the rights, powers and authorities of the Conservator of the Port, from time to time, when there shall be room at such dock, wharf, quay, stage, jetty or pier, to order to come alongside of such dock, wharf, quay, stage, jetty or pier, for the purpose of being laden or unladen by the Commissioners, any sea-going vessel which shall not have commenced to discharge goods, or which, being about to take in goods, shall not have commenced to take in goods.

94. If after such order of the Conservator of the Port or other person aforesaid, the owner or master of any such vessels shall either take in or discharge goods, save and except at such dock, wharf, quay, stage, jetty or pier to which such vessel shall have been so ordered, the owner thereof, or, in case he shall not be in Calcutta, the master thereof, shall be liable to a penalty of one hundred rupees for each day that he shall land or ship, or attempt to land or ship, any goods in contravention of such order.

95. (1) When a sufficient number of docks, wharves, quays, stages, jetties or piers shall have been erected under this Act for the landing and shipment of goods of all sea-going vessels resorting to the port, it shall be lawful for the Commissioners in meeting, with the sanction of the Local Government, by an order published in three consecutive numbers of the *Calcutta Gazette*, to direct that, without the express sanction of the Commissioners, no goods shall be landed or shipped from or upon any sea-going vessel within the port, save at such docks, wharves, quays, stages, jetties or piers.

(2) And by an order in like manner published, to alter, vary or revoke any such order.

96. Whoever shall, after such order has been so published as aforesaid, land or ship, or attempt to land or ship, any goods in contravention of such order, shall be liable to a fine not exceeding two hundred rupees for every day that he shall so land or ship any goods in contravention of the said order:

Provided that notwithstanding anything in this or in sections ninety-two, ninety-three, and ninety-four contained, it shall be lawful for the Local Government by notification in the *Calcutta Gazette*, from time to time, if it shall so think fit, to declare that certain specified vessels, or classes of vessels, shall be permitted to discharge or ship goods; or that certain specified goods, or classes of goods, shall be permitted to be landed or shipped else-

where, and at such part of the Port of Calcutta, and for such time and on such conditions, as it may think fit.

made and completed with all proper appliances in that behalf, it shall be lawful for the Commissioners in meeting, with the sanction of the Local Government, by an order published in three consecutive numbers of the *Calcutta Gazette*, to declare that such dock, wharf, quay, stage, jetty or pier is ready for receiving, landing or shipment of goods from vessels (not being sea-going vessels); and, in the same way and with the same sanction, to order that within certain prescribed limits to be therein specified in that behalf, it shall not be lawful, without the express sanction of the Commissioners, to land or ship any goods out of, or into, any vessel (not being a sea-going vessel) of any class specified in such order, except at such dock, wharf, quay, stage, jetty or pier.

(2) And by an order in like manner published, to alter, vary or revoke any such order.

98. Whenever any order made and published under sections ninety-five and ninety-seven shall have the effect of rendering it unlawful to land or ship any goods out of, or into, any vessel at any wharf, quay, stage, jetty or pier lawfully made, erected or fixed by any person for the convenience of private traffic, or to which a prescriptive right may have been acquired by possession of sixty years or upwards, such person, his representatives or assigns, shall be entitled to institute a civil suit for the award of compensation to him for the injury caused by the order hereinbefore mentioned:

Provided that in awarding such compensation, the Court shall not take into consideration any tolls, dues, rates or charges which the aforesaid person claiming compensation shall be liable to pay for using the wharf, quay, stage, jetty or pier provided by the Commissioners for public use:

Provided also that it shall be lawful for the Commissioners, in lieu of closing any wharf, quay, stage, jetty or pier under either of the said sections, to allow the continued use thereof on payment of such scale of tolls, dues, rates and charges as may be agreed upon between the owners thereof and the Commissioners.

99. (1) After the publication of the order mentioned in section ninety-seven of this Act, it shall not be lawful for any vessel of such class to land or ship any goods at any place within the limits so specified, except at such dock, wharf, quay, stage, jetty or pier; nor for any such vessel, while within such limits, to anchor, fasten or lie within fifty yards of the ordinary low-water-mark without the consent of the Commissioners.

(Part VIII.—Of the Landing and Shipment of Goods.—Sections 100—102.)

Part IX.—Of Levying Tolls and Rates.—Sections 103—108.)

100. If after the publication of the order mentioned in section ninety-seven of this Act any such vessel shall, while within such limits, so anchor, fasten or lie, it shall be lawful for the Commissioners to cause the same to be removed out of the said limits, and it shall be the duty of the Conservator of the Port to aid and assist the Commissioners in so removing such vessel.

101. The Commissioners may, by notice in writing, order the master, owner or agent of any vessel, to remove such vessel from any dock, wharf, quay, stage, jetty or pier belonging to the Commissioners.

102. Unless such vessel shall be removed therefrom within thirty-six hours after service of such notice on the officer in charge of such vessel, or the master, owner or agent thereof, it shall be lawful for the Commissioners to charge in respect of such vessel for the use by such vessel of such dock, wharf, quay, stage, jetty or pier, such sum not exceeding five hundred rupees for each day of twenty-four hours, or portion of such day, after the expiry of such thirty-six hours, during which such vessel shall remain at such dock, wharf, quay, stage, jetty or pier as to the Commissioners shall seem fit.

PART IX.—Of Levying Tolls and Rates.

103. The Commissioners shall frame a scale of tolls, dues, rates and charges for the landing and shipment of goods from and into sea-going vessels at the docks, wharves, quays, stages, jetties and piers belonging to the Commissioners, and for the use thereof by such vessels, and for the storing and keeping of any goods stored in any premises belonging to them, and for the removal of goods, and for the use of any moorings laid down or acquired by the Commissioners, and for the towage of vessels by the steam-vessels of the Commissioners in the Port.

104. The Commissioners shall also frame a scale of tolls, dues, rates and charges for the landing and shipment of goods into and out of any vessel (not being a sea-going vessel); and also a scale of tolls for the use of the said docks, wharves, quays, stages, jetties and piers by any such vessel, in case the Commissioners shall permit the goods to be landed or shipped by other than their own officers and servants.

105. The Commissioners shall also frame a scale of charges for any services to be performed by the Commissioners or their servants in respect of any vessel or goods, or for the conveyance of goods by their tramways, or for the use of any works or appliances to be provided by the Commissioners.

106. The Commissioners shall also frame a scale of tolls, annual or other, to be paid by the owners of any vessels plying for hire, whether regularly or occasionally within, or partly within and partly without, the limits of the port:

Provided that no such tolls shall be chargeable in respect of vessels which are liable to pay port dues under the provisions of Schedule I of the Indian Ports Act, 1889.

107. (1) Such scales of tolls, dues, rates and charges shall be adopted by the Commissioners in meeting, and shall be submitted to the Local Government; and after receiving its approval, shall be published by the Commissioners in the *Calcutta Gazette*: and may, from time to time, subject to the like approval and publication, be in like manner altered.

(2) It shall also be competent to the Local Government at any time to cancel any of the scales framed under sections one hundred and three to one hundred and six (both inclusive), or to call upon the Commissioners to modify any portion of such scales; and thereupon the Commissioners in meeting shall modify such scales accordingly.

108. If, on the preparation of the estimate of any year, it shall appear that the estimated income of the Commissioners for such year, after deducting therefrom the estimated expenditure of such year to be incurred under this Act, will be insufficient for the payment of the sums which, under the provisions of this Act, will be payable during such year to the Secretary of State for India in Council, and to the holders of debentures under this Act or any enactment hereby repealed; or if, at any time in the course of a year, it may appear that the actual income of such portion of the year as may have then elapsed and the estimated income of the residue of such year, after deducting therefrom the actual expenditure of such past portion and the estimated expenditure of such residue, will be so insufficient, then and in every such case, the Commissioners shall, upon the requisition of the Local Government, from time to time and to the extent requisite in every case, charge upon all goods landed from or shipped into any vessel lying or being within the limits of the port, whether such goods shall or shall not be so landed or shipped at any dock, wharf, quay, stage, jetty or pier belonging to the Commissioners, such tolls, dues, rates and charges, in addition to, or other than, those prescribed by any scale of tolls, dues, rates and charges for the time being in force under the provisions of sections one hundred and three to one hundred and seven (both inclusive) as will, when added to the said income of the year, suffice as nearly as may be for the payment of the said sums in full.

Calcutta Port Act.

(Part IX.—Of Levying Tolls and Rates.—Sections 109—117.)

109. Such tolls, dues, rates and charges shall be fixed and adopted in accordance with a resolution passed by the Commissioners at a meeting, and shall be submitted to the Local Government; and if the same shall be approved by it, shall be published in the *Calcutta Gazette*, and shall forthwith come into operation and remain in operation until altered or revoked by the Commissioners in meeting, with the sanction of the Local Government: and shall be leviable and recoverable in like manner as any other tolls, dues, rates and charges payable under this Act.

110. (1) In case the Commissioners shall, for fifteen days after the receipt by them of any such requisition from the Local Government as in section one hundred and eight is mentioned, neglect or refuse to charge such tolls, dues, rates and charges, it shall be lawful for the Local Government, by an order published in the *Calcutta Gazette*, to charge such tolls, dues, rates and charges.

(2) The tolls, dues, rates and charges mentioned in such order shall have such and the same effect as if they had been fixed and adopted by the Commissioners in meeting, and approved by the Local Government, and published in the *Calcutta Gazette*, as in section one hundred and nine is mentioned.

111. (1) For the amount of all tolls, dues, rates and charges, duly leviable under this Act in respect of any goods, the Commissioners shall have a lien on such goods, and shall be entitled to seize and detain the same until such tolls, dues, rates and charges are fully paid.

(2) Tolls, dues, rates and charges in respect of goods to be landed shall become payable immediately on the landing of the goods.

(3) Tolls, dues, rates and charges in respect of goods to be removed from the premises of the Commissioners, or to be shipped for export, shall be payable before the goods are removed or shipped.

(4) The lien for such tolls, dues, rates and charges shall have priority over all other liens and claims, except for general average, for the ship-owner's lien for freight upon the said goods where such lien exists and has been preserved in the manner hereinafter provided, for primage, and for money payable to Her Majesty or the Secretary of State for India in Council, under any law for the time being in force:

Provided that nothing in this Act shall affect any power or authority vested in the Chief Officer of Customs, under any law for the time being in force.

112. The Commissioners shall not be liable for any damage which may be sustained through any cause not arising from negligence on the part of the Commissioners, to any goods whether landed for import or received for export, during such time as the said goods remain in the possession or under the control of the Commissioners.

113. (1) The Commissioners shall, immediately upon the landing of any goods, take charge thereof, and store such as are liable to suffer from exposure in any shed or warehouse belonging to the Commissioners.

(2) If any owner, without any default on the part of the Commissioners, fail to remove any goods from the premises of the Commissioners within two clear working days from the time of landing, such goods shall remain on the premises at the sole risk and expense of the owner.

114. (1) Whenever the owner of any goods fails to remove the same within the time specified in the last preceding section, the Commissioners shall give notice to the consignee or owner of such goods, if his address be known, by letter sent by post to such address or left thereat, that all liability which the Commissioners may have hitherto incurred in respect of such goods, has ceased.

(2) And shall also publish in one or more daily newspapers notice of the expiry of such liability; and shall specify therein the numbers, marks and descriptions of such goods, so far as the same may appear.

115. In case the said goods shall be removed to the public warehouses, then the consignee or owner shall be liable to the charges for warehousing goods in such public warehouses; and the goods shall remain subject to all liens to which they would have been liable, if they had remained in the possession of the Commissioners, and to the power of sale hereinafter given.

116. (1) If the master or owner of any vessel, or his agent, at or before the time of landing from such vessel any goods at any dock, wharf, quay, stage, jetty or pier belonging to the Commissioners, shall give to the Commissioners notice in writing that such goods are to remain subject to a lien for freight or other charges payable to the ship-owner to an amount to be mentioned in such notice, such goods shall continue liable to the same lien (if any) for such charges as they were subject to before the landing thereof.

(2) Such goods shall be retained either in the warehouses and sheds of the Commissioners, or, with the consent of the Chief Officer of Customs, in the public warehouses, at the risk and expense of the owners of the goods, until the lien is discharged as hereinafter mentioned.

117. Upon the production to the officer of the Commissioners, in that behalf of a document purporting to be a receipt for the amount claimed as due, or a release of freight, from the person by or on

Calcutta Port Act.

(Sections 123 and 124.)

whose behalf such notice shall have been given, it shall be lawful for the Commissioners to permit such goods to be removed without regard to such lien:

Provided they shall have used reasonable care in respect to the authenticity of such document.

118. If the tolls, dues, rates and charges payable to the Commissioners in respect of any goods under this Act are not paid, or if the lien of the ship-owner for freight, where such notice as aforesaid has been given, is not discharged, the Commissioners may, and in the latter event if required by or on behalf of the person claiming such lien for freight, shall, at the expiration of two months from the time when the goods were placed in their custody, or, if the goods are of a perishable nature, at such earlier period, being not less than twenty-four hours after the landing of the goods as they shall think fit, sell by public auction the said goods, or so much as may be necessary to satisfy the amounts hereinafter directed to be paid out of the produce of such sale.

119. (1) Before making such sale, ten days' notice of the same shall be given by publication thereof in the *Calcutta Gazette*, unless the goods are of so perishable a nature as in the opinion of the officer of the Commissioners in that behalf to render immediate sale necessary or advisable; in which event, such notice shall be given as the urgency of the case admits of.

(2) If the address of the owner of the goods has been stated on the manifest of the goods, or in any of the documents which have come into the hands of the Commissioners, or is otherwise known, notice shall also be given to the owner of the goods by letter delivered at such address or sent by the post; but the title of a *bona fide* purchaser of such goods shall not be invalidated by reason of the omission to send the notice hereinbefore mentioned, nor shall any such purchaser be bound to inquire whether such notice has been sent.

120. (1) In every case of any such sale as aforesaid, the moneys received from the sale shall be applied as follows:—

- (a) in payment of the expenses of the sale;
- (b) in payment according to their respective priorities of the liens and claims excepted in section one hundred and eleven from the priority of the liens of the Commissioners for tolls, rates and dues, and
- (c) in payment of the tolls, charges and expenses of landing, removing, storing or warehousing the same, and of all other charges due to the Commissioners under this Act in respect thereof.

(2) The surplus, if any, shall be paid to the importer, owner or consignee of the goods, or to his agent, on his applying for the same:

Provided that such application be made within one year from the sale of the goods, or good reason be shown why such application was not so made to the satisfaction of the Commissioners; and in case such application shall not be so made, nor reason shown, such surplus shall be held by the Commissioners upon trust for the purposes of this Act.

121. If the master of any vessel in respect of which any tolls, dues, rates, penalties or charges shall be payable under this Act, or any rules or orders made in pursuance thereof, shall refuse or neglect to pay the same or any part thereof on demand, it shall be lawful for the Commissioners to apply to the Collector of Customs of the Port of Calcutta, and such Collector shall detain or arrest of his own authority such vessel, and the tackle, apparel and furniture belonging thereto, or any part thereof, and detain the same until the amount so due to the Commissioners shall be paid; and in case any part of the said tolls, dues, rates, penalties or charges, or of the costs of the distress or arrestment, or of the keeping of the same, shall remain unpaid for the space of five days next after any such distress or arrestment shall have been so made, the Collector of Customs may cause the vessel or other thing so distrained or arrested to be sold, and with the proceeds of such sale may satisfy such tolls, dues, rates, penalties or charges, and costs, including the costs of sale remaining unpaid; rendering the surplus (if any) to the master of such vessel on demand.

122. If the Commissioners shall give to the officer of Government whose duty it shall be to grant the port clearance of any vessel, a notice stating that an amount therein specified is due in respect of tolls, dues, rates or charges, or penalties chargeable under this Act, or any bye-laws, rules or orders made in pursuance thereof against such vessel, or the owner or master of such vessel in respect thereof, or against or in respect of any goods on board such vessel, such officer shall not grant such port clearance until the amount so chargeable shall have been paid.

Separate rules were made for Calcutta, for the Suburbs, and for places outside Calcutta and the Suburbs; and as it is desirable to have the same rules in force henceforth in the Old Town of Calcutta, and in that portion of the Suburbs which has been amalgamated therewith by Act II, 1888, and to place the parts of the Suburbs not so amalgamated under the same rules as those made for the places outside the Old Town of Calcutta and the Old Suburbs, the present Bill is introduced to give effect to these objects.

STATEMENT OF OBJECTS AND REASONS.

THE Government of India, having recently had under its consideration the reports of Local Governments on the operation of the Indian Factories Act, 1881, and the proceedings of the Commission appointed in 1884 to consider the working of factories in the Bombay Presidency, is of opinion that the Act of 1881 should be so amended as to—

(a) bring within its scope any factory in which not fewer than twenty hands are employed,

(b) raise from seven to nine years the age below which a child may not be employed in a factory,

(c) limit the hours of work for women to eleven in any one day,

(d) extend to women the provisions of the Act with respect to the allowance of holidays to children, and enable occupiers of factories to fix such days as holidays for the women and children employed therein as, having regard to the different classes or castes to which they belong, may be most convenient for them,

(e) authorise Local Governments to make sanitary rules suited to local requirements, and

(f) render it obligatory on occupiers of factories to furnish such statistics as may from time to time be required by the Government.

The object of the Bill is to amend the Act accordingly.

Among the enactments which will be incidentally affected by the Bill (section 9) are the Electricity Act, 1887, the City of Bombay Municipal Act, 1888, and the Indian Merchandise Marks Act, 1889.

A reprint of Act XV of 1881, with the proposed amendments set forth in italics, is appended to this Statement.

The 31st January, 1890.

ANDREW R. SCOBLE.
